### Installing Adobe Acrobat Reader\*

You will need Adobe Acrobat Reader\* 4.0 or above to view some of the materials on this CD. If you do not have this program currently installed on your computer, or you have an older version, you should install Acrobat Reader 5.0.1, which is available on this CD. If you have an older version of Acrobat Reader, you will need to first uninstall that program, then return to this menu.

Install Adobe Acrobat Reader

1. Choose ***Run this program from its current location or Open.***
2. If you receive a security warning screen, click ***Yes.***
