

ELEMENTARY PROGRESS REPORT DUE DATES

2008 – 2009

Please be aware that charter and private school calendars vary. Check with those home schools to obtain appropriate Progress Report due dates.

The second of each pair of dates below is the progress report due date. Attendance days are provided for single-track only, as they will match up with Carlson's work schedule. Of course, if a student starts part-way through the term, you will have to adjust the count accordingly. (Dates in brackets fall outside the beginning or end of the regular Carlson school year.)
