

# SECONDARY PROGRESS REPORT DUE DATES 2008 – 2009

Please be aware that charter and private school calendars vary. Check with those home schools to obtain appropriate Progress Report due dates.

**The second of each pair of dates below is the progress report due date.** Attendance days are provided for single-track only, as they will match up with Carlson's work schedule. Of course, if a student starts part-way through the term, you will have to adjust the count accordingly. (Dates in brackets fall outside the beginning or end of the regular Carlson school year.)
