Dear Parent/Guardian:

We are asking your permission to photograph your child with his/her home teacher. This is strictly for use by the personnel of the Home Instructional Program and Hospital School. Over the past few years, we have been taking pictures of our Home Teachers working with their students and using them in presentation to District nurses, social workers and physicians in area hospitals. We get called upon to describe our program to numerous multi-agency personnel, explaining the different types of services available to children throughout LAUSD. In addition, these photos may be presented as part of our ongoing efforts to recruit teachers to the program. Pictures will NOT be released to any outside agencies or other schools.

We hope you will be enthused about helping us spread the word about our program and will want your child included in any activities of this type. Nevertheless, participation is not mandatory.

Sincerely,

Joe Salvemini, Principal
